GreatWhite® Electricals

Welcome
to the world of
Great!

I was thrilled with GreatWhite's vision of providing an extraordinary lifestyle and was fascinated by the revolutionary products that brand has developed in the home electrical space. The brand has redefined the meaning of comfort with solutions that are not only innovative but at the same time environment friendly too. The idea of creating a comfortable lifestyle with a sustainable environment is the true meaning of luxury and this enticed me for the association with the brand.

With this association as brand ambassador of GreatWhite, I feel privileged to promote luxury and comfort to consumers across the globe. The world is changing and I believe the need for convenience and safety is the need of the contemporary world. Brand's philosophy of providing a better life with innovative and ultra -modern solutions resonates with my personality, Moreover, the commitment towards work and relentless efforts to create the products of exceptional quality and standards, sync with my belief.

I welcome you to this journey of luxury indeed to a journey of Great.

Redefining. Reimagining.

Norms and rules aren't meant for the world of design. It takes an imagination like no other to start a trend. An idea drives the change and passion fuels the creation.
Welcome to **ARCUS.**

It's taking the world of switches to the next level.

Bid adieu to straight lines and welcome the brilliance of curves. A slight curve can make a massive difference to your interiors. Arcus switches give an arc like look that is unconventional.

Come, discover

arcus™
Fine Work of Arc

The Floating Look

Artistically designed ARC-like plates with a strong under-draft. **Arcus** plates are nothing short of a brilliant canvas. The curve creates a stylish illusion with all four corners suspended from the wall.

Hence – The Floating Look. A stunning view that echoes brilliance and creates a stylish illusion, almost floating on the wall.
Lowrise Switches

Introducing Low Rise Switch Mechanism (LRSM) - **Arcus** switch mechanism is completely re-engineered to reduce the switch-knob rise whilst in on/off position giving it a more seamless look and reduces the protrusion. **Arcus** switches come with Silent Rocker Mechanism (SRM) that considerably reduces the click (on/off) sound.

The Bezel Oomph

ARCUS plates enhance its beauty and exclusivity. Each with a bezel that gives it an exquisite effect. Whatever the décor, whichever the style and for every ambience, there is a perfect bezel to compliment it. Presenting three bezels to choose from.

Self Colored bezel: The Muted Look
A seamless transition of colour from the switch to the plate. A perfect design for those who like it subtle.

Nickel bezel: The Bold Look
A bold highlight that adds a futuristic touch to the switch. Makes it appropriate for those who prefer décor with an edge.

Black Painted bezel: The Total Look
Black is timeless, classy and enigmatic. Black bezel enhances the switch and accessories. Whatever your choice, each creation is set to change the look of your wall.
The Devices

Each Arcus device is a statement piece, created to convert every wall into a masterpiece.

Since our inception, we have been striving to provide an extraordinary lifestyle through revolutionary products in the home electrical space.

We started our journey with a vision to make comfort and luxury a reality. With passion, relentless efforts and commitment we have developed quality and innovative solutions. We are proud to be honored as the 'World's Best Brand of the year 2017-18' for South East Asia. In the year 2022, we have bagged 'The Pride of India Brands' award in the home electrical category at the Best of Bharat Awards 2022 hosted by Exchange4Media. With the latest addition we have added another feather in our cap by being awarded as the 'Most Trusted Brands Of India' as an outstanding Home electrical solution provider by Marksmen daily Group.

With extensive research and development, we have developed products that are a perfect blend of design and technology. All GreatWhite products are crafted to perfection at our two state of the art manufacturing facilities that are over 2,00,000 sq. ft. and 3,00,000 sq. ft. respectively. To provide an extraordinary lifestyle, we have developed revolutionary products like new age Switches, LEDs, Fans, Home Automation, Wires & cables, Switchgears, Sensors and more.

At the heart of GreatWhite lies Innovation, luxury and passion. At GreatWhite, we leave no stone unturned to raise the quality of life and therefore, we create solutions that harmonize design and technology.

Join us in our journey of luxury indeed in the journey of Great.
